Professional Summary

Results-driven full-stack developer with over 3 years of academic and project-based experience in designing, developing, and deploying scalable web applications. Proficient in Java, Spring Boot, and React.js with strong problem-solving skills. Certified in Full-Stack Development and Java, with a track record of building secure and responsive applications that improved performance and user engagement. Adept at working with REST APIs, databases, and modern front-end frameworks.

Technical Skills

- **Languages:** Java (J2SE/J2EE), JavaScript (ES6+), Python, SQL
- **Frontend:** React.js, Redux, HTML5, CSS3, Bootstrap, Material-UI
- **Backend:** Spring Boot, Hibernate, RESTful Web Services
- **Databases:** MySQL, MongoDB
- **Developer Tools:** Git, GitHub, Postman, MySQL Workbench, IntelliJ, VS Code

Education

RV College of Engineering, Bengaluru
Master of Computer Application

2024 – 2026
Relevant Coursework: DS, DBMS

JSS College, Dharwad
Bachelor of Science in Computer Science (CGPA: 7.4/10)

2020 – 2023

Projects

Barter Connects – Peer-to-Peer Product Exchange Platform

Tech Stack: Spring Boot, React.js, MySQL, JWT, Material-UI

- Designed and implemented a full-stack application to enable renting/exchanging products between users.
- Integrated JWT-based authentication, role-based access control, and secure transactions.
- Reduced API response time by 40% using optimized SQL queries and caching.
- Developed a real-time chat system and intelligent product-matching logic.

Library Management System

Tech Stack: React.js, Context API, REST APIs, Material-UI

- Built a role-based system with separate interfaces for users and administrators.
- Implemented CRUD operations, user authentication, and data validation.
- Enabled real-time book tracking, user management, and reporting features.

Certifications

- Full-Stack Development Certification (QSpiders, 2024) – Covered HTML, CSS, JavaScript, React.js, Core Java, and Spring Boot

Achievements

- Built and deployed multiple full-stack applications replicating real-world platforms independently.
- Represented college in state-level fest organized by JSS SMI College, Dharwad.

Additional Information

- **Languages Known:** English (Fluent), Kannada (Native), Hindi (Professional), Marathi (Professional)
- **Interests:** Traveling, exploring new places, cultural learning
- **Soft Skills:** Teamwork, Communication, Problem-solving, Adaptability, Time Management
